DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The amendment filed 08/18/08 proposes amendments to claim 65 that do not comply with 37 CFR 1.173(b), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required. Applicant indicates in his remarks that claim 65 has been canceled yet there is no direction to cancel the claim in the amendment of the claims. Example 4 in MPEP 1543 shows how to properly cancel a previously added new claim.

Example (4)

To cancel a new claim (previously added in the reissue), in writing, direct cancellation of the new claim, e.g.,
Cancel claim 15.

Also note that response failed to provide a new statement under 37 CFR 3.73(b) including a copy of the assignment or indentifying the reel and frame number.

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.
